A black and white photograph of a large group of students, likely a school yearbook class, posing on a set of wide stone steps. The students are of various ages, mostly teenagers, and are dressed in casual clothing typical of the late 1970s or early 1980s, such as plaid shirts, sweaters, and jeans. They are arranged in many rows, filling the frame from the bottom to the top. Some students are looking directly at the camera, while others are looking slightly away. The overall atmosphere is candid and captures a moment of a large group of young people.

IAM
is my name.
i am not particularly
special or outstanding.
i am not brilliant
artistic beautiful or
in any other way capable
of leaving my imprint on the history
of mankind -
but IAM.
i live
i breathe
i laugh cry love
hate and hurt.
i make mistakes
i make people happy
i allow myself
(sometimes unknowingly)
to sink into periods of
self-pity.
but above all
IAM.

i am a portion
no matter how minute,
of the pulsating dynamic
form of life called humanity
and through this membership
i share my existence with
all my fellow people.
i am never alone -
my loneliness and warmth
pain and joy are common to all.
yet because IAM
i am alone forever and
have been since time out of mind.
i am alone with my heart
with my being
and with my God.
IAM.
let me share with you
who i am
let me learn who you are
but never let me forget who
IAM.

The Class of '74 has proven itself in areas of leadership, sports, and academics as leaders at OHS. Continual involvement has been commonplace, and the pride of being #1 has been evident. Many accolades could be given the class for its concern for others. Best of luck, graduates.

Serving as the Student Body President and being a member of Student Council during this past year clearly marks for me one of the most enjoyable and profitable learning experiences in my high school career.

Your council this year was composed of students with varied backgrounds in student government. Even with this diversity in our council, there was still that concerted effort that brought us through as a successful and dedicated group of student leaders.

Hopefully we have provided for you, the students and faculty, a worthwhile year and at the same time guaranteed the basis for continued success in future years. We extend our appreciation to the Student Body for the opportunity we have received to serve you this year.

Sincerely,

Randy Cavion

The 1973-74 Student Council has been very busy conducting business on behalf of the Associated Student Body. A complete new constitution is nearing completion and will be submitted to the Student Body in the very near future. The Council has also undertaken sponsorship of all Homecoming Activities. Unfortunately, many of the actions of this council will not bear fruit until next year. This has indeed been a selfless and dedicated group of students.

B.S.U.

The Black Students Union (BSU) is a club to make the Blacks aware of themselves as a whole. This club was founded in 1972 by Rodney Greene.

The activities for this year have been a sucker sale, carnival, a Christmas Party, campus cleanup, a sock hop and a beach party.

During Black Awareness Week, a fashion show was presented to the student body. That night the highlight of the week was the crowning of the Black King and Queen in the OHS auditorium.

Growth through service, the Z Club motto, has inspired the many activities sponsored this year by our all girl organization.

We combined our effort, in both community and fund-raising projects including such things as visiting convalescent homes, serving at banquets and desserts, holding pop corn and frozen banana sales, and helping with decorations for the Senior breakfast.

Repairing toys at Santa Claus, Inc., and co-sponsoring the Christmas canned food drive with French Club are a matter of tradition and pride for us. These two activities are held annually as we know they are making someone happy-whether it be a family by providing food for their empty table, or a little girl without toys by repairing a doll she'll receive.

M.E.C.H.A.

M.E.C.H.A. (Movimiento Estudiantil Chicano de Aztlan) provides an opportunity for students, particularly of Mexican descent, to work together for individual and group improvements, and to motivate its members to acquire a better and more well-rounded education.

This year, again, M.E.C.H.A. has earned more service points than any other club on the O.H.S. campus. They were successful in getting their candidate elected Homecoming Queen, and another of its members elected Queen of Winter Spring Sports activities.

Through varied activities within the school, and within its own membership as well, the organization strives to develop self-assertion leadership, community involvement, and service. Every year, M.E.C.H.A. sponsors a Christmas party for the children of the community. Various money-raising activities are planned to help enlarge the scholarship fund. M.E.C.H.A. members can be seen actively participating in the activities at O.H.S. The club strives to stimulate the intellectual and social life of our high school and community.

Key Club

This year under the leadership of John Koopman, the Key Club strove to abide by the Key Club national motto "Commit Yourself."

To begin the school year of 73-74 the club got their bikes together and rode 70 miles in the O.M.S. March of Dimes Bike-a-thon. In this event we raised over \$200 to help the March of Dimes in their campaign to fight birth defects. Later in the year we put out March of Dimes cans in stores and collected another \$100.

Other major achievements were an aluminum can drive in which we collected approximately 10,000 cans off the streets, we sponsored a homecoming princess and we won a third place trophy for the school in a volleyball tournament.

Varsity- 'Twas A

Hard luck struck the 1973 Jaguars as we lost six league games. Three consecutive games were lost by just one point and another by 4 points. Highlight of the season was the Homecoming win over San Dimas. Leading the Jaguars on both offense and defense was all-league tackle Tom Brown. Excellent running was turned in by junior Joe Jefferson. All around player, Manuel Mendez, was elected most valuable by his teammates. Hope for next season will be built around a solid returning backfield.

This year's Junior Varsity football completed its season with a 3 and 4 win loss record. Our team was slow in developing offensively, but defensively they were up with the best. Confidence plus quicker execution of plays were aspects of the game that were missing in the early part of the season. Midseason, however, the team developed into a strong offensive and defensive unit.

The 3 and 4 record doesn't reflect on how well the JV's really played their last few games of the season. In the game with Alta Loma, the game was lost in the last minutes of the game. The score was 14-6. Against Royal Oak (league champions) the JV's were more than ready. Although we lost 22-12, we were the only team to score twice against a strong Royal Oak defense. Again bad breaks cost us the game late in the contest.

Playing as a unit is an aspect of the game which no team can do without. This year's JV's started out somewhat split, but finally pulled together and proved that unity is a major factor in winning.

Preview for "74"

Frosh Learn Tricks of Trade

The freshman football record for the season was 3-5-1, with a 2-4-1 league record. The squad was quarterbacked by Ramon Flores, who turned in a very good performance at that position. Ramon passed extremely well, with receivers Mickey Donaldson and Don Moser hauling in many of his aerials.

Ramirez Takes League

This year's Cross-Country team was composed mostly of young and inexperienced athletes. The team will be losing two seniors while six varsity lettermen and eight junior varsity lettermen will be returning. With this returning group we hope to better this year's sixth place finish in the League.

However, things were not all bad for the team this year--we produced the individual league champion in Raymundo Ramirez. After nine straight victories, including the district meets, Raymundo topped off the season by winning the league meet and becoming the most Valuable Cross-Country runner in the Hacienda League. This award is the highest possible for any cross-country runner in our League.

A special thanks to Coach Miller for his most needed help and support throughout the season.

Coach Partington

A coach respected by many. He has been through remarkably good seasons, as well as poor. His will to succeed is not matched by many. Through his coaching, patience, and pride, the players will lead a better life in the world to come.

JEFFERSON STANDS OUT

The Varsity started out slow but improved throughout the season. They lost many by few points, as it was a disappointing and frustrating year. The season had many bright spots, though, as Joe Jefferson became our big man in our new "shuffle" offense. He played it so well he got all-league. There also was a new weapon in the offense by the name of Paul Gonzales as he led the scoring from mid-season on. The team will graduate 11 players; everybody but Jefferson. With the last game at home, these 11 seniors, plus one, played their hearts out and demolished San Dimas by 23!

J.V. BASKETBALL

The Junior Varsity Basketball team showed much improvement this season. Although their final league record was 4-10, they won their final two games against Sierra Vista and San Dimas.

Lettering winners for the season were Roy Bornholdt, Jeff Durrant, David Gomez, Gordon Henderson, Dan Pearce, Hector Ortiz, Alan Rhodes, Larry Salazar, Fred Vigil, Tom Barboza.

These Athletes will be representing OHS on the Varsity Basketball team next season.

B's BASKETBALL

Although the B's Basketball Team did not win any games, there were many more exciting moments than bad ones.

The team was led in scoring by Steve Elias, Larry Blevins, and Rene Ramirez. Showing great hustle and determination was David Apodoca, with Juan Ortiz inspiring the team.

The Freshman Basketball team had a good season as far as improvement goes, but only a fair season in the won-lost column. Our record was 5 wins 13 losses, with 6 of the losses being by less than 5 points.

The team was led by Mickie Donaldson and Bob Starman. Also helping were Bob Vasquez and Rick Franco. The biggest improvement was by Leo Olivas, who played the post in the offensive alignment.

As their coach I would like to congratulate all the players on a season that was rewarding for me.

Coach Brooks

Another successful season for our wrestling team couldn't have been achieved without the fantastic coaching of Coach Brooks.

Coach Brooks worked hard with these fine young men and has instilled in them determination, good sportsmanship, pride, and the will to win in the process.

Coach Brooks received a hero's ride to the swimming pool by this happy bunch of wrestlers.

7th Straight League Championship

The "mean & bad" mat men from Ontario High were unstoppable in crushing virtually every opponent, taking league in 1974. Unusual? Not so. This merely adds a touch to their unprecedented straight league championship they have reeled off over 40 consecutive victories in league play. In other words, they have been awesome in league play.

This year's Varsity Team was led by Wally Rivera, for the 2nd time Most Valuable in League, Tom Brown (3rd time league champ), and Roger DeSantiago, (2nd time league champ), taking firsts. DeSantiago is the first wrestler from Ontario to go to the State Finals.

Other "Bad" Wrestlers who placed were George Beckner at 106 lbs., Felipe Yanez at 130 lbs., and Robin Miller at 178 lbs., taking 2nds. Taking 3rds were Brad Kurth at 136 lbs., and Marty Hansen at 141 lbs.

JUNIOR VARSITY WRESTLING

The Junior Varsity Team once again will send a few anxious and ready wrestlers up to the Varsity; just waiting for their first taste of Varsity competition.

The Junior Varsity also proved to themselves that they were as tough as the Varsity by being Co-Champs. They lost only to Alta Loma, 26-22, on their way to a 6-1 league record. They also took a 2nd place finish at the West Covina Frosh-Soph Tournament and a 1st at our own Ontario Tournament.

Coach Vaught

A coach is one who instructs a competitive sport. Mr. Vaught, Ass't. Coach of Mr. Brooks, does this and more. He installs the basic fundamentals and skills of a winning wrestler by his eagerness and spirit to teach.

FRESHMAN WRESTLING

The Freshmen once again proved to be just as mighty tough as any as they pinned their way to a perfect 8-0 season and a 1st place finish in the big Fontana Freshman Tournament.

With these Jag-babies on the loose, it looks like Ontario's dominance of the wrestling mat and another 4-year wait for the rest of the league.

Varsity Baseball

With eight returning lettermen and a few J.V. Players who moved up the team, played a cohesive unit.

With Eddie Rubidoux and John Koopman starting, and Bill Barker relieving, the opposition was held back with hardly any earned runs. The hitting was led by Manuel Mendez, Tim Vicario, and Bob Fry.

The substitutes played a big part also by taking over in clutch situations, and coming through. It was a total team effort.

JUNIOR VARSITY BASEBALL

1974 could prove to be the most successful year in many for the Jaguar J.V. Team. Consistent pitching from Bob Debatte, Steve Hernandez, and John Guillen, as well as timely hitting from last year's "leading hitters" Dana Stitt, Xavier Arellano, David Gomez, and David Barrozo, may prove to be the key.

Defense seems to be the area of greatest strength with Junior Bob Dilbeck behind the plate, Fred Vigil at short, and speedy outfielders Barrozo, Gomez, and Ortiz.

Title In Sight

The Freshman Baseballers won their first three games and then suffered their first loss of the season to Apple Valley. The team appears very strong with excellent pitching coming from the likes of Mickie Donaldson, Jesse Koopman, Tom Keith and Mike Breslin. The hitting punch will be supplied by Breslin, Koopman and Don Moser. A league championship is within reach.

Track: Sport Of Determination

Row 1: Dave Warren, Scott Newsome, Gilbert McCroey, Steve Bell, Coach Sweeney Row 2: Jim Donaldson, Dave Thomas, Jim Porter, Alan Achatz, Coach Holiday Row 3: Coach Luna, Tom Brown, Joe Jefferson, Paul Wheeler, Dave Cook, Marcus Jennings, Coach Miller

VARSIITY TRACK

Varsity Track has outstanding individuals this season with many performers who should go far in CIF competition. Heading the list is last year's Frosh-Soph CIF champion in the high hurdles, James Donaldson. The team got consistant performances from sprinters Dave Warren and Joe Jefferson, Middle distance record holder Gilbert McCroy; and Marcus Jennings who leaped over 23' in the long jump. The teams two strongmen are Alan Achatz and Tom Brown who provide a one-two punch in the the weight events. Paul Wheeler, Steve Bell, Scott Newsome, and John Boyer were always counted on in the tough meets to come through with points needed for victory. Dave Cook and Ken Baker led the distance team. This year's track team was outstanding in the record breaking squad.

Inexperienced But Tough

Row 1: Tom Warren, Artee Porter, Coach Holiday, Van Wigington, Denzel Wassilchalk Row 2: Manuel Angel, Joe Garcia, Steve Walker, Marty McClanahan

JUNIOR VARSITY TRACK

The Junior Varsity Team is where many athletes get experience so they can come through for the Varsity at a later date. Lack of depth hurt the team's over-all record, but the team boasts many fine individual performances.

Freshmen Continue Winning Ways

Row 1: Elijah Bishop, James Lee Byers, Ron Prater, Bob Racet, Joe Quinn, Mike Cook Row 2: George Beckner, Lupe Serma, Spears, Wayne Rudesill, Doug Brooks Row 3: Nolan Diggs, Ed Kile, Carl Hemby, Alan Lemmons, Javier Ramirez

FROSH-SOPH TRACK

The Frosh-Soph Team was among the best in the league, with many athletes who are always across the finish line at the head of the pack.

The Care and Share Program was started at OHS in 1968. The program was designed to help students learn more eagerly and more thoroughly.

Work Experience Education is a course approved by the State Department of Education. The classroom is "on the job", with some related on-campus instruction. Students work in occupational areas for which school prepares them. General Work Experience students do not work in specific occupations.

The student center has two main purposes: to work as a liaison between students, administrators, staff, and community, and to provide a place for study, tutoring, rap sessions, club meetings, and interaction. It also provides Personal Counseling and advice.

Foreign Language

Joseph Pace, Rosina Pace
Ontario High has a French as well as a Spanish program.

The purpose of the French and Spanish program is to stimulate interest in a foreign language and to give student some comprehension of how a foreign language operates. We feel that our entire program helps to prepare students for life in a world which is becoming increasingly conscious of foreign language.

Driver's Education

James Copp, John Holladay, Dan Sweeney

The goal of Driver Education and training is to direct instruction so that students become safer drivers as well as safer pedestrians. We endeavor to do this by developing a knowledge of the vehicle codes and other laws of the state relating to the operation of a car.

Robert Papsdorf, Roy Duncan, Joel Gillingwaters, Ernie Snyder, Les Vrieze

Our general purpose of Industrial Arts is to teach skills in many areas of shop work. More and more, however, we are becoming concerned with training students for specific jobs--vocational training. This year we have added two new vocational programs--one in vocational wood-working and the other in vocational electronics. Ultimately, we hope that every one of our shop students will be prepared for a job by the time he graduates from Ontario High School.

The English Department strives to increase written, oral, reading and listening abilities. Basic instruction in mechanics and a development of literary appreciation, combined with reading and vocabulary growth, pave the road to upper-class elective courses. The multi-faceted spectrum of English must satisfy diverse skills and interests, and should deepen an appreciation of the English language as a means of communication.
